SUBSCRIPTION AGREEMENT

Name of Subscriber: AGI ASTRA

Ladies and Gentlemen:

Section 1. **Subscription**. I (sometimes referred to herein as the "Investor") hereby irrevocably subscribe for and agree to purchase an unsecured convertible promissory note of **[INSERT COMPANY NAME]** (the "Company"), in the form attached hereto as Exhibit A (a "Note", and collectively with other notes issued by the Company pursuant to the Offering (as defined below), the "Notes"), for the purchase price listed on the signature page to this Subscription Agreement and subject to the terms and conditions described herein (the "Offering").

Section 2. **Description of Notes**.

(a) The Notes bear interest at a rate of **[INSERT INTEREST RATE]**% per annum and are due on the earlier of (i) **[INSERT MATURITY DATE]** (the "Maturity Date"), (ii) a Qualified Financing (as defined below) or (iii) a Change of Control Transaction (as defined below).

(b) "Qualified Financing" means the closing of the sale and issuance of any preferred equity securities of the Company in a venture-type capital raising transaction, including any issuance of indebtedness or securities directly or indirectly convertible into or exchangeable for preferred equity securities of the Company, resulting in proceeds to the Company of not less than $**[INSERT AMOUNT]**.

(c) "Change of Control Transaction" shall be deemed to have occurred if (a) any "person" (as such term is used in sections 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act")) becomes a "beneficial owner" (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing more than fifty percent (50%) of the voting power of the then outstanding securities of the Company; provided, that a Change of Control Transaction shall not be deemed to occur as a result of a change of ownership resulting from the death of an equityholder, a public offering of the Company's equity securities, the sale of securities in a transaction primarily for capital raising purposes, or as a result of a transaction in which the Company becomes a subsidiary of another company and in which the equityholders of the Company, immediately prior to the transaction, will beneficially own, immediately after the transaction, equity securities entitling such equityholders to more than fifty percent (50%) of all votes to which all equityholders of the parent company would be entitled in the election of directors or managers (without consideration of the rights of any class of equity securities to elect directors or managers by a separate class vote), as applicable, or (b) the consummation of (i) a merger or consolidation of the Company with another company where the equityholders of the Company, immediately prior to the merger or consolidation, will not beneficially own, immediately after the merger or consolidation, equity securities entitling such equityholders to more than fifty percent (50%) of all votes to which all equityholders of the surviving company would be entitled in the election of directors or managers (without consideration of the rights of any class of equity securities to elect directors or managers by a separate class vote), (ii) a sale or other disposition of all or substantially all of the assets of the Company or (iii) a liquidation or dissolution of the Company.

(d) If the Company completes a Qualified Financing during the term of the Notes, the entire unpaid principal amount of the Notes together with any accrued but unpaid interest thereon shall be automatically converted into the securities of the Company issued in the Qualified Financing at a conversion price per security equal to **[INSERT PERCENTAGE]**% of the price per security offered to investors in the Qualified Financing**[; provided, however, that, in no event shall the conversion price be greater than the price per security based upon a pre-money valuation of the Company equal to $[INSERT AMOUNT]]**.

(e) If a Change of Control Transaction occurs prior to a Qualified Financing, then upon closing of such Change of Control Transaction, the Notes, together with any accrued but unpaid interest thereon, shall, at the election of the holders of a majority of the outstanding principal amount of the Notes (the "Majority Holders"), become (i) payable upon demand as of the closing of such Change of Control Transaction or (ii) redeemable for a payment equal to the amount Investor would have received had the Investor's Note converted immediately prior to such Change of Control Transaction to (A) the securities issuable in connection with the Qualified Financing (if a Qualified Financing is pending at the time of such Change of Control Transaction) or (B) if no Qualified Financing is pending at the time of such Change of Control Transaction, to equity securities of the Company at a conversion price per equity security equivalent to a fully-diluted pre-conversion valuation of $**[INSERT AMOUNT]**, to be paid in the same form of consideration (e.g., a mix of cash and equity securities) received by other equityholders in such Change of Control Transaction.

(f) If the Company commences a Qualified Financing or Change of Control Transaction during the term of the Note, the Company will deliver to the Investor a written notice stating the price and other terms and conditions thereof at least five (5) days prior to closing.

(g) If no Qualified Financing or Change of Control Transaction has occurred on or prior to the Maturity Date, then the entire unpaid principal amount of the Notes together with any accrued but unpaid interest thereon shall be repaid by the Company either (i) in cash or (ii) at the option of the Majority Holders, by conversion of such principal and interest of the Notes into equity securities of the Company at a conversion price equal to the price per security of the equity securities of the Company then outstanding based on a pre-conversion valuation of the Company equal to $**[INSERT AMOUNT]**.

(h) The Notes are unsecured and will be subordinate and junior in right of payment to the prior payment in full of all senior indebtedness, consisting of any future commercial bank lines and equipment lease lines, along with such additional or replacement commercial loans and equipment leases.

Section 3. Purchase.

(a) Investor will pay the purchase price for the Note simultaneously with the execution and delivery to the Company of the signature page of this Subscription Agreement, by wire transfer to the account specified by the Company to Investor in writing or delivery to the Company of a check in the full amount of the purchase price, payable to the order of the Company.

(b) The Company will accept subscriptions for Notes until the Company has received valid subscriptions for the maximum amount of Notes in the Offering, or until **[INSERT DATE]** (subject to extension at the sole option of the Company), whichever occurs first.

(c) **[Investor acknowledges that this Agreement and Investor's subscription for Notes hereunder will not be accepted unless aggregate subscriptions for at least $[INSERT AMOUNT] principal amount of Notes have been received]**. The Company is targeting the sale of an aggregate principal amount of Notes of at least $**[INSERT AMOUNT]** in one closing on or before **[INSERT DATE]**. The Company intends to sell a maximum of $**[INSERT AMOUNT]** in Notes. Notwithstanding the foregoing, the Company reserves the right, with the written consent of Investor and any other subscribers subscribing for at least a majority of the aggregate principal amount of Notes then subscribed for by all such subscribers, to accept subscriptions for less than such minimum requirement or more than the maximum requirement.

(d) The Company will notify Investor whether this subscription is accepted or rejected. If Investor's subscription is rejected, Investor's payment will be returned to Investor without interest and all of Investor's obligations hereunder shall terminate. In the event of rejection of this subscription, or in the event the sale of Notes hereunder is not consummated for any reason, this Subscription Agreement shall have no force or effect.

Section 4. **Use of Proceeds**. The Company plans to use the proceeds from the Offering for working capital and general company purposes.

Section 5. **Disclosure**. In reliance upon the exemption contained in Section 4(2) of the Securities Act of 1933, as amended (the "Securities Act") and applicable state securities laws, the Notes are being sold without registration under the Securities Act. I have received all information and materials regarding the Company that I have requested. I acknowledge that the Company's technologies are new and unproven, that unforeseen competition or events may make the Company's technology obsolete, and that there is no assurance that the Company will be successful in implementing its business plan or strategy. I fully understand that the Company has a limited financial and operating history and that the Notes are speculative investments which involve a high degree of risk of the loss of my entire investment. I fully understand the nature of the risks involved in purchasing the Notes and I am qualified by my knowledge and experience to evaluate investments of this type. I have carefully considered the potential risks relating to the Company and purchase of its Notes and have, in particular, reviewed each of the risks set forth herein.

Section 6. **Investor Representations and Warranties**. I acknowledge, represent and warrant to, and agree with, the Company as follows:

(a) I have been given access to full and complete information regarding the Company and have utilized such access to my satisfaction for the purpose of obtaining information in addition to, or verifying information included herein, and I have either met with or been given reasonable opportunity to meet with officers of the Company for the purpose of asking questions of, and receiving answers from, such officers concerning the terms and conditions of the Offering and the business and operations of the Company and to obtain any additional information, to the extent reasonably available. More specifically, I have been provided access to, among others, the Company's Chief Executive Officer, and have been provided the opportunity to ask questions of any personnel of the Company with respect to my investment in the Notes. Accordingly, I have independently evaluated the risks of purchasing the Notes.

(b) I am aware that my investment involves a high degree of risk as disclosed herein and have read carefully the disclosures in this Subscription Agreement.

(c) I acknowledge that the Notes are unsecured obligations of the Company.

(d) I acknowledge and am aware that there is no assurance as to the future performance of the Company.

(e) I am purchasing the Notes for my own account for investment purposes and not with a view to or for sale in connection with the distribution of the Notes, nor with any present intention of selling or otherwise disposing of all or any part of the Notes. I am not acting as an underwriter or a conduit for sale to the public or to others of unregistered securities, directly or indirectly, on behalf of the Company or any person with respect to such securities. I agree that I must bear the entire economic risk of my investment for an indefinite period of time because, among other reasons, the Notes have not been registered under the Securities Act or under the securities laws of any state and, therefore, cannot be resold, pledged, assigned or otherwise disposed of unless they are subsequently registered under the Securities Act and under applicable securities laws of certain states or an exemption from such registration is available. Furthermore, I hereby acknowledge and agree that I will not sell, transfer, pledge, encumber, give or otherwise dispose of, either publicly or privately, the Notes. I hereby authorize the Company to place a legend denoting the restrictions on the Notes that may be issued to me.

(f) I believe that the investment in the Notes is suitable for me based upon my investment objectives and financial needs, and I have adequate means for providing for my current financial needs and contingencies and have no need for liquidity with respect to my investment in the Company.

(g) I acknowledge that there may be certain adverse tax consequences to me in connection with my purchase of Notes, and the Company has advised me to seek the advice of experts in such areas prior to making this investment.

(h) I have such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Notes and have obtained, in my judgment, sufficient information from the Company to evaluate the merits and risks of an investment in the Company. I have not utilized any person as my purchaser representative as defined in Regulation D under the Securities Act in connection with evaluating such merits and risks.

(i) I have relied solely upon my own investigation in making a decision to invest in the Company.

(j) I am not participating in the Offering as a result of or subsequent to: (i) any advertisement, article, notice or other communication published in any newspaper, magazine or similar media or broadcast over television or radio or (ii) any seminar or meeting whose attendees have been invited by any general solicitation or general advertising.

(k) I understand that (i) the Notes have not been registered under the Securities Act, or the securities laws of certain states in reliance on specific exemptions from registration, (ii) no securities administrator of any state or the federal government has recommended or endorsed this Offering or made any finding or determination relating to the fairness of an investment in the Company and (iii) the Company is relying on my representations and agreements for the purpose of determining whether this transaction meets the requirements of the exemptions afforded by the Securities Act and certain state securities laws.

(l) I understand that (i) since neither the offer nor sale of the Notes has been registered under the Securities Act or the securities laws of any state, the Notes may not be sold, assigned, pledged or otherwise disposed of unless they are so registered or an exemption from such registration is available, and (ii) it is not anticipated that there will be any market for the resale of the Notes.

(m) I have been urged to seek independent advice from my professional advisors relating to the suitability of an investment in the Company in view of my overall financial needs and with respect to the legal and tax implications of such investment.

(n) The information which I have furnished to the Company with respect to my financial position and business experience, is correct and complete as of the date of this Subscription Agreement and, if there should be any material change in such information prior to the closing of the Offering, I will furnish such revised or corrected information to the Company.

(o) I hereby acknowledge and am aware that except for any rescission rights that may be provided under applicable laws, I am not entitled to cancel, terminate or revoke this subscription, and any agreements made in connection herewith shall survive my death or disability.

Section 7. **<u>Indemnification</u>**. I hereby agree to indemnify and hold harmless the Company and its officers, **[directors][managers]**, **[stockholders][members]**, employees, agents, and counsel against any and all losses, claims, demands, liabilities, and expenses (including reasonable legal or other expenses, including reasonable attorneys' fees) incurred by each such person in connection with defending or investigating any such claims or liabilities, whether or not resulting in any liability to such person, to which any such indemnified party may become subject under the Securities Act, under any other statute, at common law or otherwise, insofar as such losses, claims, demands, liabilities and expenses (a) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact made by me and contained in this Subscription Agreement, or (b) arise out of or are based upon any breach by me of any representation, warranty, or agreement made by me contained herein or therein.

Section 8. **<u>Severability</u>**. In the event any parts of this Subscription Agreement are found to be void, the remaining provisions of this Subscription Agreement shall nevertheless be binding with the same effect as though the void parts were deleted.

Section 9. **Choice of Law and Jurisdiction**. This Subscription Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware. I irrevocably submit to the personal jurisdiction and venue of the state and federal courts located in the State of Delaware in any legal suit, action, or proceeding arising out of or based upon this Subscription Agreement, and I further agree that those courts shall have exclusive jurisdiction to hear any such dispute.

Section 10. **Counterparts**. This Subscription Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. The execution of this Subscription Agreement may be by actual or facsimile signature.

Section 11. **Benefit**. This Subscription Agreement shall be binding upon and inure to the benefit of the parties hereto.

Section 12. **Notices and Addresses**. All notices, offers, acceptance and any other acts under this Subscription Agreement (except payment) shall be in writing, and shall be sufficiently given if delivered to the addresses in person, by Federal Express or similar courier delivery or by facsimile delivery, as follows:

The transmission confirmation receipt from the sender's facsimile machine shall be conclusive evidence of successful facsimile delivery. Time shall be counted to, or from, as the case may be, the delivery in person or by mailing.

Section 13. **Entire Agreement**. This Subscription Agreement together with the Note, constitute the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior oral and written agreements between the parties hereto with respect to the subject matter hereof. This Subscription Agreement may not be changed, waived, discharged, or terminated orally but, rather, only by a statement in writing signed by the party or parties against which enforcement or the change, waiver, discharge or termination is sought.

Section 14. **Section Headings**. Section headings herein have been inserted for reference only and shall not be deemed to limit or otherwise affect, in any matter, or be deemed to interpret in whole or in part, any of the terms or provisions of this Subscription Agreement.

Section 15. **Survival of Representations, Warranties and Agreements**. The representations, warranties and agreements contained herein shall survive the delivery of, and the payment for, the Notes.
